MOTION BY SUPERVISOR MICHAEL D. ANTONOVICH

JANUARY 19, 2010

Hart Hall is a multi-purpose room located at William S. Hart Regional Park used for meetings, banquets, parties, and other community functions.

The Friends of Hart Park, a non-profit organization composed of volunteers who donate their time and talents to help raise funds and otherwise support the Park and Museum as a supplement to the County of Los Angeles, would like to donate the installation of acoustical insulation and materials for Hart Hall valued at \$11,258. The acoustic insulation will minimize the outside noise and provide a noise free environment for people who gather at Hart Hall.

**I, THEREFORE, MOVE** that the Board of Supervisors hereby authorize the Director of Parks and Recreation to accept the gift of the installation of acoustical insulation and materials at Hart Hall from the Friends of Hart Park and to send a letter of appreciation for their generous donation.
